

Livin' In The Promised Land
@Becky Buller/Rick Lang

Chorus

I'm livin' in the promised land, I'm saved and I'm forgiven
I'm holding to my Saviors hand, my sights are set on heaven
I'm singing in the Angel band, and countin' all blessins'
I'm livin', I'm Livin', I'm Livin in the promised land

V1

I so filled with joy I've just gotta to shout
Jesus washed me clean, from the inside inside out
Now I've got home in glory, but while I'm still here on earth
I'll keep on celebrating my new birth

V2

Daily I am walking in the gospel way
Do my best to share my faith with every step I take
Whether on the mountain top or the valley down below
My Lord is with me everywhere I go

V3

Abide in the teachings of our Lord above
And you'll be overflowing with His mercy grace and love
You'll taste the milk and honey, of His sweet peace
Both now and through all eternity
