

Catch Me When I Fall
@Rick Lang Shannon Slaughter

V1

Been standing at the edge more times than I recall
I feel so alone when my backs against the wall
Get down my knees, plead the maker of us all
I know He's gonna be right there
To catch me when I fall

Chorus

He is there,
.....arms opens wide
Always there
.....He never leaves my side
Prayers from our hearts, yeah Jesus hears them all
And I know He's Gonna be there to catch me when I fall

V2

Church on Sunday mornin', I hang on every word
Day by day they fade away, the lessons that I've heard
But Jesus understands
my faults and all my flaws
Despite 'em all He'll be there to catch me when I fall
