@Melody Williamson/Rick Lang

Chorus

Get on board, get on board
Our destination heavens shore
To live up there forevermore
With our Blessed Lord
Get on board brother get on board

V1

We set sail in the morning, my brother don't be late
We'll anchor in the harbor outside those pearly gates
Gonna meet the ones who've gone on before
Go and punch your ticket get on board

V2

With Jesus as your captain, you can rest assured
He can walk on water He can quell the storm
You can ask Him anything, he knows what lies in store
Put your trust in Jesus get on board
