

Glory, Glory, Glory
@Rick Lang/Natalie Cromwell

Chorus

Glory Glory Glory, the greatest ever story
Miracle on earth, night of Jesus birth
Glory Glory Glory, oh Lord how we adore thee
Kneeling down to worship him
The King from Bethlehem

V1

Spectacular in every way, joy beyond belief
More than words could every say, He fulfilled the prophesy
Miracle of miracles, the gift that came that night
A birth so unequivocal, He came to be the light

V 2

Unexpected Majesty, clearly on display
There for all the world to see, when Christ was born that day
It was right before their very eyes, yet they didn't understand
When they heard the tiny Baby cry, they heard the King of man

Bridge

Hallelujah, Hallelujah
All the angels sing
Hallelujah Hallelujah
Let the heavens ring
