

The Best Things In Life Are Free

@Rick Lang/Ted DeMille

I have but few possessions, not much to call my own

Being poor never bothered me
I hear songbirds singing outside my cabin door
The best things in life are free

Chorus

The best things in life are free

Like water running from a mountain stream
Walking through the forest, a gentle summer breeze
The best things in life are free

I'd climb up to the mountain tops, just to pass the time

There's beauty there far as the eye can see
Solitude and comfort, sure to ease my mind
The best things in life are free

Chorus

Things I enjoy the most money just can't buy

Like watching the waves roll on the sea
Or gazing at the stars that hang down from the sky
The best things in life are free

Bridge

My pockets are still empty
Not a dollar to my name
But I never worry don't you see
There's comfort in the sunset
Contentment in the dawn
The best things in life are free
