

BE STILL AND KNOW

When the tide is rising and the oceans rage
I won't be afraid (I won't be afraid)
When I'm lost at sea and tossed by mighty waves
I will speak His name (I will speak His name)

Pre C

He is my refuge and my strength
My fortress and my hiding place
And in the storm
I can hear Him say

C

Be still and know
That I am God
I am here, so just hold on
In the fight
I'm on your side
Through it all
Be still and know
I am your God

When the ground is trembling underneath my feet
I will seek His face (I will seek His face)
Though the mountains quake and fall into the deep
He's my hope and stay (He's my hope and stay)

PRE CHORUS AND CHORUS

B

In the battle I won't fear
Though the enemy draws near
I won't sound defeat
For the mighty God of Jacob
Breaks the bow and spear
And the Lord of angel armies
Is singing over me
