

## The Way God Sees Me

Written by Darius Shackleford 8-1988 revised 8-5-2021

### Verse 1

I'm a new creation' old things have passed away, all things are new

By His stripes I'm healed his Word says that too

I've learned, I except what His Word say it's hidden in my heart

The Truth will not depart

### Chorus

I'm gonna see myself the way that God sees me

I speak His Word Over my daily life

Jesus got the victory over death and hell and now he holds the key

He did all of this so I could be made free

### Verse 2

I'm more than a conqueror that what he says I am, In Christ I shall abide

He's been touch by our infirmities on all points tried

As we but he did this without sin

To show us all the way to live in victory everyday

### Chorus

I'm gonna see myself the way that God sees me

I speak His Word Over my daily life

Jesus got the victory over death and hell He holds the key

He did all of this so I could be made free
